BLIND MEN AND THE ELEPHANT: DEMYSTIFYING THE GLOBAL IT SERVICES INDUSTRY

SAGE Publications Inc. Paperback. Book Condition: new. BRAND NEW, Blind Men and the Elephant: Demystifying the Global IT Services Industry, Was Rahman, Priya Kurien, 'The book is easy to read, entertaining and informative. A useful, easy to read book, for people looking to move from working in the IT Services industry to working on the industry. As your role moves from providing the service to managing those that provide the service, this book challenges you think about where you want to guide those teams to' - Maria DiGregorio, General Manager, Telstra Corporation Limited 'The subject is very interesting and you use some great examples to illustrate your points' - Morgan Hurwitz, Global IT Manager, Shell International 'A one-of-a-kind book that demystifies a 'common' industry for just about anyone in, outside or influenced by IT. An IT encyclopedia that is a must-have at least for its sheer wealth of trivia. For those people that feel they have lost time by being away from the industry on a sabbatical of any sort, this book can be the key to making a strong and confident comeback' - Nivedita Chandrasekhar, Application and Architecture Developer, Credit Suisse Readership In just a few decades since its birth, the global IT industry has grown to a trillion dollars. It continues to transform society and business, as perhaps no other industry has, and yet remains one of the least understood industries in the world. Behind the facade of geekiness and technophobia lies a set of organisations that are routinely given the power to fundamentally reshape many facets of our lives, and in the process create lucrative sources of financial rewards for those investing in it. This book explains what consultants and IT Services firms do. It examines the industry's surprisingly captivating history, and in doing so, explains why the...
