Do you have a sense of fulfillment? And does your heart tell you that where you are in life is not quite where you are supposed to be? By using Bible and real life examples, Kwame Frimpong shows you how to live the fulfilled life. Breaking Through To Real You seeks to inspire men and women to pursue the real you God created and is also a practical tool for embracing one's greatest strength. In the chapter entitled, Your Natural Flow, Kwame Frimpong introduces us to another interesting personality in scripture - Joseph. Being an excellent dreamer- He dreams even in the midst of his great persecution. Why? That was his natural flow. There is something you do and are fulfilled that requires less or no struggle at all. You were born with an ability to do something that comes naturally for you. You may have never developed that skill but it is still in you. David was a natural runner, King Solomon was good at writing but what are you very good at doing? Discovering the three most powerful wonders within you will be the key to the fulfilled life.
