Brand New Book ***** Print on Demand *****.Excerpt from A Round of Birthdays: Entertainment for Children Our publication of a Christmas Book for the past two years has met with such cordial appreciation from our friends, and has opened up so many pleasant opportunities for new acquaintanceship, that we have again taken a departure from the beaten tracks of our legitimate business, and masquerade once more in holiday attire as publishers. The fun we offer for the young folks in the entertainments which follow, will last all the year round. While prepared with the special motive to provide for birthday frolics, they are not limited to any such application, but may be made to serve for any occasion, where an original and charming entertainment is desired. We believe that so novel and artistic an innovation, after the hackneyed devices that have been used in the past for children s parties, will be gladly welcomed. A hint of each entertainment is given in the verses and illustrations, which will make the book of interest to the children, while ample suggestions follow for practical application. But these suggestions may be accepted in whole or in part, and the party made simple or elaborate at the discretion of the entertainer, with no bar to the introduction of wholly original ideas.
