This milk is the main constituent of a number of other products like cheese, butter, yogurt, cottage cheese, and buttermilk. This book is going to tell you all about how you can use these products to cure a number of ailments. In ancient times, a man's prosperity was counted by the number of livestock he had in his farm, including goats, sheep, cows, horses, and other such domesticated animals. That is why in ancient books, the milk of a cow has been described in such glowing terms - The spinal cord of a cow has a nerve called Sunlight in it. Whenever the Sun God showers his rays on the body of a cow grazing in the fields, the rays are turned into gold when they touch the nerve called sunlight. That is the reason why the butter and the milk you get from a cow is golden in color. Talk about imagination! But this is...
