Zen of the Plains: Experiencing Wild Western Places (Hardback)

By Tyra A. Olstad

University of North Texas Press, U.S., United States, 2014. Hardback. Book Condition: New. 234 x 157 mm. Language: English . Brand New Book. Although spare, sweeping landscapes may appear empty, plains and prairies afford a rich, unique aesthetic experience--one of quiet sunrises and dramatic storms, hidden treasures and abundant wildlife, infinite horizons and omnipresent wind, all worthy of contemplation and celebration. In this series of narratives, photographs, and hand-drawn maps, Tyra Olstad blends scholarly research with first-hand observation to explore topics such as wildness and wilderness, travel and tourism, preservation and conservation, expectations and acceptance, and even dreams and reality in the context of parks, prairies, and wild, open places. In so doing, she invites readers to reconsider the meaning of emptiness and ask larger, deeper questions such as: how do people experience the world? How do we shape places and how do places shape us? Above all, what does it mean to experience that exhilarating effect known as Zen of the plains?.
