Excerpt: .of the people of the State for the University. Two things, however, suggest themselves as being desirable in a far-seeing plan, for the University's welfare. First, I would insist upon all the permanent buildings on the campus being architecturally beautiful and harmonious in addition to being substantial and adequate. The irregularity of architecture of the various buildings on the campus almost destroys the effect of whatever beauty the individual buildings have; a condition that could be gradually remedied if a definite architectural plan for the buildings of the future were adopted and perseveringly adhered to. Secondly, I would seriously study the question of co-education. Whatever advantages the co-educational system may have, and they are many, to it I attribute in a large measure the lack of serious scholarships in the University and the acuteness of the social problems that have arisen in the...

Reviews

An extremely wonderful book with perfect and lucid information. This can be for all those who state there had not been a really worth reading through. Its been written in an exceptionally easy way and it is only after i finished reading this ebook in which actually modified me, alter the way i really believe.

-- **Kaelyn Reichel**

This publication will never be effortless to get started on reading through but very fun to read. It is actually loaded with knowledge and wisdom You will not truly feel monotony at anytime of the time (that's what catalogues are for about in the event you check with me).
