Andrews McMeel Publishing, United States, 2016. Paperback. Book Condition: New. 152 x 152 mm. Language: English . Brand New Book. Everybody Loves Ramen is the perfect gift for a high school graduate, college student, single friend living on a tight budget, or anyone who remembers the days when a package of ramen was haute cuisine. As a college student, Eric Hites learned just how far he could stretch a dollar by combining a package of ramen noodles with some odd ingredients out of his nearly bare kitchen cupboards and a little imagination. Living on a tight budget, Hites and his friends spent many nights of fun, laughter, and experimentation figuring out how they could concoct original, cheap yet tasty meals from the only food they could truly afford: ramen noodles. It later occurred to Hites that he should collect and compile the recipes he and his friends had had so much fun inventing. Everybody Loves Ramen is filled with 50 innovative recipes-from Stroganoff Ramen Style to Easy Cheezy Ramen to Elvis s Fav Gravy Ramen-as well as ramen factoids, funny stories, games, and puzzles all related to our favorite low-cost snack food. Told in a humorous style, Everybody Loves Ramen is both a cookbook and a book of fun.
