I had a double motive for setting about the task: - the first was to gratify what I knew to be the wish of my family; the second, to gratify myself, by taking a wide range in recalling the remembrances of long by-gone years; quite certain that by so doing I should be able to realize the motto of my book, and say haaec olim meminisse juvabit. But I may also allege a third motive of gratification: that of expressing publicly the many acts of kindness and consideration I have experienced from numerous friends, especially from those to whose patronage I am indebted for the good fortune that has attended me through life.
