

## In the Company of Bears: What Black Bears Taught Me About Intelligence and Intuition (Paperback)

---

By Benjamin Kilham

Chelsea Green Publishing Co, United States, 2014. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. In *In the Company of Bears*, originally published in hardcover as *Out on a Limb*, Ben Kilham invites us into the world he has come to know best: the world of black bears. For decades, Kilham has studied wild black bears in a vast tract of Northern New Hampshire woodlands. At times, he has also taken in orphaned infants feeding them, walking them through the forest for months to help them decipher their natural world, and eventually reintroducing them back into the wild. Once free, the orphaned bears still regard him as their mother. And one of these bears, now a 17-year-old female, has given him extraordinary access to her daily life, opening a rare window into how she and the wild bears she lives among carry out their daily lives, raise their young, and communicate. Witnessing this world has led to some remarkable discoveries. For years, scientists have considered black bears to be mostly solitary. Kilham's observations, though, reveal the extraordinary interactions wild bears have with each other. They form friendships and alliances; abide by a code...
