Virtualbookworm.com Publishing, United States, 2004. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Johnny Who? takes the reader on a sexual odyssey. Beginning with his childhood in Middle America and carrying on to middle age as an expatriate teacher in France, Johnny's sexual exploits trace out a trajectory of licentiousness, with escapades in various cities around the USA, Mexico, the Caribbean and France. Today, however, tormented by an obsession with the pornographic films that threatens to destroy both his marriage and career, Johnny is paying the price for his profligate youth. His reflections about growing up sexually absurd are also a cautionary tale that will have a familiar ring to the many who have experienced any of these confused, ridiculous, or comic watersheds that pass for sex education. Coupled with all this is an intimate look, from an expatriate's perspective, at the charms and joys of living in France. To follow Johnny in his everyday activities on the little family farm is to witness a dream-come-true pastoral paradise. But Johnny's sinful excursions to Paris and the pornographic film parlors he haunts represent the dark side of this country-city dichotomy. While he is experiencing everything from outrageous sex to alcohol abuse and even bulimia, his obsessions and guilt-ridden imagination conjure up a host of phantasmagoric creatures: from a grotesque, Cyclops-like monster to a sublime, Circe-like beauty. The parodic scenes of graphically explicit sex and unbridled violence are not for the fainthearted. On the other hand, this is a tale that invites compassion, bristles with satire, and abounds with Rabelaisian humor.
