

From Distributor to Master Director in 90 Days Letters to My Network Marketing Team

By Sally Shields

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 102 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. When I first started in network marketing, I was grasping at straws. A stay-at-home mom with an income of under 25K, I didn't have a clue as to what I was doing. After trying many different approaches, lots of rejection and making a ton of what I would describe as mistakes, I decided to study very closely what the successful people before me did. Herein lies the system that applied, will lead you towards your dreams. It just takes action, discipline, patience, and openness to learning and an underlying philosophy of never giving up. Does a baby give up when he doesn't walk the first time? He doesn't know the meaning of failure, because he is already programmed for success as are we! One doesn't need to be remarkable, talented, privileged, or special in any way. One just has to do the thing. Network marketing is a remarkable opportunity that will work for everyone that applies the system. I am living proof, and you can do it too! This item ships from La Vergne, TN. Paperback.

This publication will never be effortless to get started on reading through but very fun to read. It is actually loaded with knowledge and wisdom. You will not truly feel monotony at anytime of the time (that's what catalogues are for about in the event you check with me).
