## The Smallpox Vaccination Program: Public Health in an Age of Terrorism

By Committee on Smallpox Vaccination Program Implementation, National Academy of Sciences, Board on Health Promotion and Disease Prevention, Institute of Medicine, Alina Baciu

National Academies Press. Paperback. Book Condition: new. BRAND NEW, The Smallpox Vaccination Program: Public Health in an Age of Terrorism, Committee on Smallpox Vaccination Program Implementation, National Academy of Sciences, Board on Health Promotion and Disease Prevention, Institute of Medicine, Alina Baciu, December 13, 2002, the president of the United States announced that smallpox vaccination would be offered to some categories of civilians and administered to members of the military and government representatives in high-risk areas of the world. The events that precipitated that historic announcement included a series of terrorist attacks during the 1990s, which culminated in the catastrophic events of 2001. Although preparedness for deliberate attacks with biologic weapons was already the subject of much public health planning, meetings, and publications as the twentieth century neared its end, the events of 2001 led to a steep rise in bioterrorism-related government policies and funding, and in state and local preparedness activities, for example, in public health, health care, and the emergency response and public safety communities. The national smallpox vaccination program is but one of many efforts to improve readiness to respond to deliberate releases of biologic agents. The Institute of Medicine (IOM) Committee on Smallpox Vaccination Program Implementation...
