Reviews

Basically no words to describe. We have read through and i also am sure that i am going to going to read once more once again later on. You may like just how the article writer compose this publication.

(Mrs. Jane Quitzon DDS)

SCHEMA THERAPY

Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, Schema Therapy, Jeffrey Young, Eshkol Rafaeli, David P. Bernstein, Schema Therapy combines proven cognitive behavioral therapy techniques with elements of interpersonal, experiential, and psychodynamic therapies in order to help people with long-term mental health problems including personality disorders and chronic depression. Schema Therapy suggests that many negative cognitive conditions are based on past experiences, and therefore provides models for challenging and modifying negative thoughts and behaviors in order to provoke change. In this book, Eshkol Rafaeli, David P. Bernstein and Jeffrey Young - pioneers of the Schema Therapy approach - indicate the 30 distinctive features of Schema Therapy, and how the method fits into the broader CBT spectrum. Divided into two parts, Theoretical Points and Practical Points, this book provides a concise introduction for those new to the technique, as well as a discussion of how it differs from the other cognitive behavioral therapies for those experienced in the field.
