John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Focus on Gender: Parent and Child Contributions to the Socialization of Emotional Competence: Summer 2010, CAD (Child & Adolescent Development), Amy Kennedy Root, Susanne A. Denham, This sourcebook provides a comprehensive volume addressing the critical issues in the study of gender, emotion socialization, and the development of emotional competence. Each of the chapters provides evidence for the pervasive role that gender plays in emotional development and provides a framework to better understand the development of emotion in boys and girls. These include: * The Role of Gender in the Socialization of Emotion: Key Concepts and Critical Issues * Gender Differences in Caregiver Emotion Socialization of Low-Income Toddlers * Gender and Parents' Reactions to Children's Emotion During the Preschool Years * Parent-Child Discussions of Anger and Sadness: The Importance of Parent and Child Gender During Middle Childhood * Emotion Socialization in Adolescence: The Roles of Mothers and Fathers * Socialization of Emotion: Who Influences Whom and How? As these chapters demonstrate, gender impacts growth in a multitude of developmental domains, including the development of emotion and emotional competence. although emotions are, in part, biological, the means of emotions and appropriateness...

Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. Its been written in an remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.
