The food which goes through some process of manufacture, such, for example, as sugar, lends itself to control very easily in comparison with poultry, eggs, potatoes, or even meat, all kinds considered. It was then upon voluntary conservation that the Food Administration decided to put its main dependence. The leading exceptions to this are the instances of virtual compulsory limitations put upon the consumption of sugar and flour. The methods of carrying the voluntary conservation into effect have been mainly two: 1 Food Administration, Bulletin No. 1, p. 8. Ibid, p. 11. (a) Cooperation of established agencies. (b) Direct appeal to the consumer.1 Cooperation of Established Agencies The Food Administration has worked through every possible established means of reaching the people, creating the State food administrations as an intermediary. The leading organizations coordinated in this work...
