Ballantine Books, New York U. S. A., 1986. Paperback. Book Condition: New. Marfree, recent prtg IS NEW & as shown; no names, not marked-in, underscored, clearance or discard. Mails from NYC usually within 12 hours. ; 6.8 x 4.2 x 1.3 inches; 441 pages; \nFrom Publishers Weekly Patterson's latest (The Lasko Tangent, Escape the Night) is a crackerjack thriller. First a rock superstar's manager and then a newspaper mogul's wife are kidnapped; the latter event is videotaped and sent to a cable news network. "Phoenix, " the chief kidnapper, appears masked on the tape, promising TV trials of the principals and, if his demands aren't met, a live broadcast of an execution. Attorney Tony Lord is called by superstar Stacy Tarrant to help ransom her manager. A year before, Lord had defended the Vietnam vet who had assassinated Stacy's lover, a U. S. Senator killed on the eve of California's presidential primary. Half the book is a long, vivid flashback to the assassination and trial, both of which prove to have surprising connections with the kidnapping. In a complex plot, Patterson saves his most shocking twists for the ending, however. And even while maintaining a breakneck pace, he manages to convey Vietnam's sad legacy for many of its veterans. A superior performance, with a few scenes that beg for movie or TV treatment. Copyright 1985 Reed. From Library Journal When a Vietnam veteran assassinates California's presidential candidate, an intricate plot begins to unfold. A terror ist who styles himself the Phoenix kid naps two people and captures prime time television to air his demands. Be hind the scenes the assassin's lawyer shuttles among the principals; eventu ally he becomes the reluctant point man in the negotiations with Phoenix. In a shock ending that evokes the sort of nasty secrets exposed...
