Berkley Pub Group, E Rutherford, New Jersey, U.S.A., 2005. Soft Cover. Book Condition: New. Remainder mark, and minor wear. From Washington to Kennebunkport to Texas to old Europe and new Europe, during the past two decades Maureen Dowd has trained her binoculars on the Bush dynasty, putting them, as both 41 and 43 have complained to her, "on the couch." Here she wittily dissects the Oedipal loop-de-loop between father and son and the Orwellian logic of the rush to war in Iraq. It's a turbulent odyssey charting how a Shakespearean cast of regents, courtiers, and neo-con Cabalists-all with their own subterranean agendas-hijack King George II's war on terror and upend the senior Bush's cherished internationalist foreign policy and Persian Gulf coalition.
