*An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.*

This devotional help is designed to get you into the Bible day after day getting the most from the text and applying that text to your life. Unlike most other devotionals on the market today this one is designed to take you through a book of the Bible. Instead of taking a topical approach whereby I match your need to a random text, I deal with the text and apply it to practical needs. This devotion is designed to bring you the greatest benefit from God's word by spending your time reading and re-reading Scripture with daily commentary, an eternal principle, and a suggested means of application. I will point out a key verse in every daily reading, and will give you that verse in the New American Standard, 1995 update, used by permission. For better understanding of the Key Verse you may wish to keep your Bible open and read it in your version. The next section of the devotional I like to simply just call my thoughts on the text. After deeply studying it through I share my thoughts and my understanding and application of the text to the day of its writing as well as principles if not direct application to our own day. I believe you will find this section very enlightening and will enjoy the thought process it brings you through as you meditate on the text for the day. In every portion of Scripture I am convinced that God intends...
