Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Are you tired of lies, broken promises, cheating and emotional game playing? Are you in a relationship so toxic that you re questioning your own sanity, yet can t seem to break away? Have you changed from the happy, confident woman you used to be before you met him, feeling depressed, anxious and insecure? That s my story too. That s life with a narcissist. We live in a world of narcissism but how do you know if your partner really is a toxic narcissist, or whether you should just give it more time and patience?
