This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).

ABAN S ACCENSION (PAPERBACK)

Sa Jeejeebhoy, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.An unexpected inheritance from her grandmother leads a young woman to Toronto, against her parents wishes, to learn more about this relative she had long since thought dead. Aban is her name. She comes from a small Ontario town, the only child of two still-together parents who own a crystal and kitschy shop and expect her to work there under them. She falls mindlessly in with their wishes until the day she receives a letter from a city lawyer telling her that her grandmother has left her a house and money too. The only condition is that she must keep a man called El as her tenant for one year. Aban didn't even know her grandmother was alive. Reeling from shock, she considers obeying her parents and refusing the inheritance. Her life, after all is in the small town, in her parents home, not the big unknown of Toronto. It is familiar; it is comfortable. But something inside Aban rejects the comfortable, and within days, she finds herself alone, friendless, and parentless staring at the door of her new house in the sweltering summer heat. As she wonders what to do, the door is flung open, the mysterious man called El welcomes her in, and he insists they have a wedding to go to. Who is this man? Why must she keep him as a tenant for one year, as stipulated in her grandmother's will? Why is he upending her life? She stays to find out.
