Simon Schuster Books for Young Readers, United Kingdom, 2013. Hardback. Book Condition: New. 216 x 148 mm. Language: English . Brand New Book. A hysterically funny debut novel about discovering where you come from--even if you have to lie to get there. When Vee Crawford-Wong's history teacher assigns an essay on his family history, Vee knows he's in trouble. His parents--Chinese-born dad and Texas-bred Mom--are mysteriously and stubbornly close-lipped about his ancestors. So, he makes it all up and turns in the assignment. And then everything falls apart. After a fistfight, getting cut from the basketball team, offending his best friend, and watching his grades plummet, one thing becomes abundantly clear to Vee: No one understands him! If only he knew where he came from. So Vee does what anyone in his situation would do: He forges a letter from his grandparents in China, asking his father to bring their grandson to visit. Astonishingly, Vee's father agrees. But in the land of his ancestors, Vee learns that the answers he seeks are closer to home than he could have ever imagined.
