THE HAUNTINGS OF HARRISONVILLE: A COMPANION TO THE WORKS OF SEABURY QUINN PART 1

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 186 pages. Dimensions: 11.0in. x 8.5in. x 0.4in. The Hauntings of Harrisonville is a companion to the Adventures of Jules de Grandin. It lists the characters and places, and there is a short synopsis of each of the 93 tales. It is designed to be used as a guide alongside the tales, to help the reader appreciate the works of Seabury Grandin Quinn. Included in the book is Quin by year, a bibliography of all the currently known works of both fact and fiction. It includes an index of material from The Dodge Chemical Company Magazine, the then De-Ce-Co Magazine. A complete year from The American Funeral Director, which is all I currently have. Plus the two rare books on Mortuary Matters, A Syllabus of Mortuary Jurisprudence, and An Encyclopedic Law Glossary For Funeral Directors and Embalmers. I have also added a few of my favourite Quotes, plus a few items that it is recommended all budding Phantom Fighters should arm themselves with. There is also a short list of items about Seabury Quinn, an other reference books used to compile the index of places and characters. Every story has where it took place, and the main theme of the story, whether it is about Mummies, Vampires or Werewolves. It was also fun to spot the earlier stories on which some of these Jules de Grandin were based. Some of these reworkings are more or less identical to the original. Overall, it has been hard work, and sometimes the sheer volume of pages and words seemed insurmountable. The...
