Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I was standing on my bed looking out of my bedroom window. The sky appeared gray and somber. I saw a young man with dark hair looking up, staring at me from the sidewalk. Then quick lightning flashed, striking him, leaving a small pile of charcoal-colored ashes on the sidewalk where he once stood. I awoke. I was surrounded by plastic drapes and hospital monitoring equipment. The air around me smelled like chicken soup and chemicals. They later told me it had been five months that I d been in a coma. I was wrapped in layers of white bandages. Third-degree burns covered almost 80 percent of my body. My journey was just beginning. The doctors painted a grim future for me. They told my mom that I would never walk again. Oftentimes, we can forget to be thankful for the small things. In her book *Snatch Back*, author Ruby Hayes recounts some of her most trying times and how God eventually took hold of her life and brought her back to the light. Hayes s book is a shining testimony to the fact that it is never to late to be relinquished from the devil. This is the book that Satan himself does not want published.
