## ROOSEVELT A STUDY IN AMBIVALENCE

BiblioLife. Paperback. Book Condition: New. This item is printed on demand. Paperback. 168 pages. Dimensions: 8.0in. x 5.0in. x 0.4in. It will not be reviewed in the American press. It will not even be mentioned. My psychoanalytic interpretation of Colonel Roosevelt contains much that is startling. It adds to the portrait of Theodore Roosevelt a line here and there that cannot be erased by the relentless years, nor by their relenting historians. There is no question that I understand Theodore Roosevelt. On that point I have Mr. Roosevelt's own testimony. Nor is there any doubt that I can wield a pen. The very men who would place a Maxim silencer on my poor efforts bear witness to that fact, unless their own literary verdicts were indeed scraps of paper. Nevertheless, in the present instance, the voice of the reviewer will be hushed. There may be, now and then, a quotation from one of the Colonel's letters to me. There may be, here and there, a slur. But no honest criticism. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher: Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.
