Reviews

*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

Walker Books Ltd. Paperback. Book Condition: new. BRAND NEW, Daylight Saving, Edward Hogan, This is a brilliant thriller ghost story by a new name in teenage fiction. When Daniel Lever is dragged to Leisure World Holiday Complex for some "time away" with his depressed dad, his expectations are low. Daniel is overweight, he hates sport, and his father has brought along his beloved tomato plant. But soon Daniel spots a girl swimming in the fake lake. Lexi is elegant and smart, but very mysterious. Why are her bruises getting worse each time she and Daniel meet? And is her watch really ticking backwards? A dark figure stalks the pair, and as British summer time approaches, Daniel has to act quickly. Their souls depend on it.
