It begins with a small child awakened in the middle of the night by a bewitching figure who is seeking-out an obscure entity. The child, after making a child s observations about the dark of night, overhears a conversation that suddenly takes place [via a chance encounter] between the morphed Rush (once the neighborhood dog), and friends from the dog Rush s past. What ensues is the reality of a child s mind . the magic of innocence. (Do you remember what it was like?) RUSH .
