This illuminating book, intended for individuals or groups, contains six lessons designed to enrich our understanding of God as loving Father. Each lesson contains a true story that will help you discover the Father's character and become more closely acquainted with him. All that is required for this study is a Bible and an inquiring heart. After you read the questions posed in each lesson, consider recording your response to the questions in a personal journal. As you explore the words of God the Father you will learn about his love for you and what it means to be accepted by him. We trust that as you meditate on the stories, God will, over time, draw you into an even closer relationship with him.
