

Family Tradition Songbook: A People Music Song Collection (Paperback)

Filesize: 7.45 MB

Reviews

It is one of my personal favorite books. It is one of the most incredible ebooks I have got through. You will not feel monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).

(Giuseppe Mills)

Createspace, United States, 2012. Paperback. Book Condition: New. annotated edition. 274 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This book offers 371 songs, a lifetime supply of commonly-played, traditional people music . Each song is annotated with key-independent chord changes (a.k.a. Nashville number system), jammability , and tonal information useful for playing by ear and for singing lead and harmony. The people music being played today, otherwise known as bluegrass or mountain music, evolved out of a unique blend of many styles of music, coalescing in 19th-century Appalachia. Vigorous Anglo-American mountain music, old English ballads, Afro-American gospel music, and many other traditions all contributed to the growth of the music. Like its cousins, Native American and African music, it is rooted in a driving, primal rhythm, and it lives and breathes in its SOCIAL experience! For more information, go to.
